SUMMARY

Video editor specializing in short-form ad content for DTC and e-commerce brands, combining Premiere Pro editing, After Effects motion graphics, and AI-generated UGC ad production. Have delivered product ads, promos, and social content for brands across skincare, wellness, fragrance, and apparel, both directly and through creative agencies. Build custom AI ad pipelines using ComfyUI and n8n to produce UGC-style ads efficiently and at scale.

CORE SKILLS

- **Editing & Post:** Adobe Premiere Pro (Advanced), DaVinci Resolve
- **Motion & VFX:** Adobe After Effects (motion graphics, compositing, animated titles)
- **AI Ad Production:** AI video generation, custom ComfyUI workflows, n8n automation pipelines
- **Formats:** Short-form vertical (9:16) UGC ads, SaaS promos & walkthroughs, social content
